### M.Phil in Mathematics Merit Lists

The following students in List # 1 and List # 2 are offered provisional admission to M.Phil in Mathematics program at Department of Mathematical Sciences subject to completion of all formalities of admission. We request them to report to the Department till **November 05, 2021**, for payment of dues and registration of courses. Those in Government Employment must submit NOCs from their respective departments, failing which the admission offer shall stand cancelled. They ought to remember that this is a full-time admission and that they have to be available for classes/seminars/exams as per schedule.

Note that admission will be offered to the students from waiting list (List # 3) on vacant seats, if any, after **November 05, 2021**. For this purpose second merit list will be displayed.
